How China Became Capitalist?

报告者 Speaker Ning Wang 王寧 (Ronald Coase Institute)

使用语言 Language Chinese 汉语

Summary

In this talk, Ning Wang, co-author of *How China Became Capitalist* (Coase and Wang 2012), will discuss three questions. First, what role did the state play in China's market transformation? Second, what is the defining defect of capitalism as currently practiced in China? Third, what lessons we can draw from China?

主讲人王宁博士在 2012 年与罗纳德·科斯出版了 *How China Became Capitalist* (中文版《变革中国:市场经济的中国之路》)。在此次研讨会上,王宁博士将讨论三个问题。第一,在中国的市场化改革中,政府扮演了什么角色?第二,中国的资本主义的最大缺点是什么?第三,中国的经验给我们什么样的教训?
